Education

2021/07 – 2023/05	**Master of Computer Application**
Jabalpur, India	*Shri Ram Insitute of technology*

Professional Experience

2024/04 – present Bhopal, India	**Triosoft Technologies Pvt. Ltd** As a Full Stack Developer at Triosoft Technologies, I contribute to both the frontend and backend development of web applications. I utilize my skills in React.js for building dynamic, user-friendly interfaces, while leveraging Django for robust, scalable backend solutions. My role involves working closely with the design and development teams to deliver seamless user experiences and efficient, high-performing applications.

Projects

2024/08 – 2024/09	**Dfoodo** ⬈ Worked with Dfoodo, a platform that enhances the dining experience by providing an easy-to-use solution for table reservations at restaurants, improving customer engagement and satisfaction
2024/07 – 2024/08	**BookMyVenue** ⬈ Contributed to BookMyVenue, a platform that streamlines venue discovery and booking for events, enhancing user experience through efficient event space selection.
2024/05 – 2024/07	**ShopUp** ⬈ Collaborated with ShopUp, a leading SaaS platform, providing customizable eCommerce solutions. Assisted businesses in building scalable online stores with integrated payment systems and inventory management features
2024/04 – 2024/04	**ChtaGPT Noteped** ⬈ Contributed to ChatGPT Notepad, a streamlined platform for users to take and organize notes during ChatGPT interactions, enhancing productivity and information management
